

Dear Parents/Carers,

Good afternoon and welcome to this week's parent bulletin.

SATs Week

A huge congratulations to everyone in Year 6 for their incredible efforts in their KS2 SATs this week. The papers were challenging and a real test of everything the pupils had learned and they coped admirably with everything. Thank you also to all the parents and staff who supported in making this week run smoothly. SATs tests are externally marked and take several weeks for results to be returned - we will share these with parents before the end of the Summer term.

QE News

With many Year 8 pupils already with a place at QE secured for September and others considering options for upper school please see the recent QE newsletter.

Class Group and Year 8 Photographs

Tuesday sees our class and year 8 group photos take place providing families with the opportunity to keep memories of the children's class groups as they progress in school or move to upper school in September. Please ensure that pupils wear full school uniform including sweatshirts and appropriate footwear (as always).

PTFA

The next school disco will be taking place on Friday 14th June (6.30pm-8.30pm). Further details will be sent out next week and tickets will go on sale on the evening of Monday 3rd June.

The PTFA will be holding a second hand uniform sale at Emmanuel on Transfer Day, Friday 28th June. If you have any good quality used uniform or PE kit that you would like to donate for the sale, please can this be brought into the school office.

Road Safety

We have received correspondence from members of the community raising concerns over the road safety of our pupils, especially those using scooters to travel to and from school. They have observed Emmanuel pupils riding scooters very fast out of a blind junction and out from between parked cars, seemingly without any awareness of traffic or checking the road. They also then continue to ride their scooters along the road. We will be addressing this in our assemblies in school but would ask parents to ensure that their children are walking, riding or scooting to school safely.

Heatree Lost Property

Please see below the lost property from Heatree. If you recognise anything from these photos please ask your child to retrieve it!

Accelerated Reader Million Word Readers

A huge congratulations to everyone below who has become a million word reader this year. Reading is the bedrock of learning and like with anything the more the children practise the more effective they get. Well done on this fantastic achievement.

AFC Bournemouth

The Year 7 Wellbeing Curriculum for the Summer Term is Healthy Living and over the last few weeks, we have been delighted to welcome the AFCB Community Sports Trust team to work with our Year 7 classes. They have delivered a healthy eating workshop in the classroom and a practical football session (active lifestyles) session outdoors. It was great to see the pupils engage with the activities. Feedback from pupils has been really positive and some have shared that they will reflect on their own eating habits and maybe start to choose more healthy food options such as chicken and pasta to support their physical health.

On the field, we were treated to Ian Cox, an ex-AFCB player and Rhiannon, the girls' coach, leading the football skills session. We also had a chance to hear about their different career journeys and their current roles. Again, it was something for our pupils to think about for the future. We are really grateful to the AFCB Community Sports Trust Team for their time and expertise. What a wonderful opportunity for year 7!

Capture the Flag Rewards Afternoon

On Thursday, a capture the flag rewards afternoon took place. There were pupils from across all year groups that took part in their well deserved reward. Well done to all of them!

We wish everyone a great weekend and look forward to seeing everyone on Monday morning.
