Deputy Headteacher: Mr Alister Barker, BSc (Hons) PGCE

9th September 2026

Dear Parents/Carers,

We use a system in school for recording our rewards called epraise. Teachers will use Arbor to record when pupils have earned candle credits for positive behaviour and work, this will then be shown in ePraise. In addition to this pupils are able to spend their candle credits on rewards as the term goes on and you are able to book pupils into school clubs through this platform.

Pupil Logins

Pupils can already login to view their points and view their house group's total. Year 5 pupils will be receiving their school logins during their first computing lessons. The pupil login also allows the students to see which of our core values they have earned candle credits for and in which subjects. Pupils can then spend their points on rewards throughout the year.

Parent Logins

We are pleased to be able to activate the parent login feature for any new parents. Parents who already have an account will be able to continue to login as before. This will enable you to view your child's record and see where your child is being celebrated.

You are able to login using the email address the school holds for you. You can login using the following link. The first time you login, enter the email address the school holds for you and it will send you a link to reset your password.

<https://app.epraise.co.uk/index.php?school=emmanuelmiddle&login=parents>

If you are unable to login it may be that you have changed your email address. In this case please complete the following form using the link below to notify us of a change of email address - we will update this for you on our system to allow you to login. **Please only complete this form if you cannot login to epraise.**

<https://forms.gle/Fek8BoysJxD1p2PZ8>

There is also an App you can download for either iOS or Android. You can login or register using the App if you prefer.

Extracurricular activities (School Clubs)

Students will be able to book themselves onto lunchtime activities, however after school clubs will require you to book for your child. You should receive a list of extra curricular activities shortly after the start of each term. Most of the clubs have limited spaces, so please ensure you are able to login to your account before the clubs open for sign up.

To view our clubs and book places for your child, please login to your parent epraise account. On the community tab you will find Activities. There will be a button next to the club to allow you to sign up your child. If you experience any issues signing up your child for a club using the epraise app, please ensure you have the most up to date version of the app or try logging into your account via their website. By signing up your child you are giving permission for them to attend this club.

You are also consenting to the following:

- Your child will be released at the end of the club to make their way home.
- Due to the member of staff running the club having to be with the pupils who have attended, the school will not contact you should your child fail to turn up at the club after school.

Please note that some clubs have limited spaces and once full will not be available for booking. We look forward to being able to share with you your child's success and enable you to engage more fully with your child's education.

Yours faithfully,

Matt Timmins
Leader for Pupil Achievement
