

Academy Committee Vacancies

A school works best in partnership with the community it serves, and we currently have vacancies on our Academy Committee (Governing Body) which plays an important part in making that partnership a success.

Please consider the details below and either apply, or express an interest for more information.

We meet 4 times a year to discuss school matters and work together for the benefit of the school. Volunteers are from a range of different backgrounds, with varied skills and experiences, and forge the link between Emmanuel Middle School and its community.

Everyone has something to offer and we very much value parents' thoughts and ideas. We welcome people from as many backgrounds and with as wide a range of interests as possible.

- You'll be given the opportunity to work with our team improving the school;
- Training will be offered – no prior experience or knowledge needed;
- You'll be given a chance to develop key skills; and
- You'll gain a sense of achievement in making a difference to our school and helping pupils reach their potential.

We would be delighted to hear from anyone who has any of these:

- a desire to support the school community and give something back;
- an interest in the performance of the school;
- an open and enquiring mind;
- the confidence to ask questions, join in debate and be a 'critical friend'; and
- the ability to work well with others.

For an informal chat, please fill in your details on this form and we'll be in touch: [Parent Expression of Interest Form.docx](#)

We look forward to hearing from you!
