

Dear Parents/Carers,

## SATS

We are so proud of how the children have conducted themselves this week. Their resilience to achieve their very best from Monday morning through to the end of the tests on Thursday has been a joy to watch. The care the children have taken to maximise their potential has been great to see. Sometimes pressure can be challenging for people, but one of the more pleasing aspects was the fact that even with the hard work this week has brought, the children have remained good-mannered and outwardly thankful for the extra treats the staff have laid on. These included a daily breakfast on the playground and sporting activities. Thank you to Miss Howe and the team for all the organisation which has gone into this.

## Year 7 PGL

An action packed three days at Liddington saw the return of very tired pupils and staff yesterday. When asked to summarise the trip, one pupil responded, 'high' referencing the multiple activities at height. I think, following this trip, pupils will be able to put on a harness with their eyes closed!

Pupils were brilliantly behaved, worked incredibly well and showed real character when presented with situations they found difficult or out of their comfort zone.

## Accelerated Reader

Reading fluently and comprehending accurately are crucial to pupils being able to be successful across the curriculum. There is a very strong link between those pupils who regularly read and those who attain well in this area. Congratulations to the following children who have read at least 1 million words this year - what a huge effort!

## Hegarty and Tassomai

Congratulations to all our highly motivated pupils for ensuring Emmanuel is again near the top of the leader boards nationally for engagement with homework. In the latest data released, EMS were in the top 3% for Hegarty engagement and came 5th out of more than 400 schools in Tassomai. Well done to the pupils and also thank you to the parents - your support with this is vital to our success.

## Art

Well done to the pupils in Year 6 who have completed their final A3 mixed media studies in response to the work of British Artist Abby Diamond and Russian Artist Alix Konahin. Experimenting with watercolour paint and fine pen patterning.

After the monsoon weather earlier in the week, enjoy the warm temperature of the weekend. Looking forward to seeing everyone on Monday.
