USING IMAGES OF CHILDREN CONSENT FORM

Name of Child: _____ Date of Birth: _____

Occasionally, we may take photographs of the children at our school. We may use these images in our school prospectus or in other printed publications that we produce, as well as on our website or on display boards at school.

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils may appear in these images, which may appear in local or national newspapers, or on televised news programmes.

The General Data Processing Regulations state we need your permission before we can photograph or make any recordings of your child for the purposes mentioned above. Please can you confirm on the online Admission Form that you give your permission as follows:

1. I give permission for my child's picture and name to be displayed on school notice boards.
2. I give permission for my child's image to be used in the school prospectus, newsletter, bulletins and/or on our website, Facebook and Twitter pages.
3. I give permission for my child to appear in local newspaper articles and photographs about school events in the local press and their website.
4. I give permission for my child to appear in national newspaper articles and photographs about school events and on national websites.
5. I give permission for my child's image (whilst taking part in curriculum activities, sporting or school events) to be taken and used by other schools on their notice boards, newsletters and/or website.
6. On occasions your child's class may be recorded whilst taking part in curriculum activities or as a record of school events. These records are sometimes shown during open evenings, assemblies and presentations to inform other pupils and visitors of activities taking place in school. These recordings are not distributed to a wider audience outside our school community.

This consent is valid for the period of time your child attends this school. The consent will automatically expire after this time.
